

ICYMARE

International Conference for
YOUNG Marine Researchers

UNIVERSITY OF APPLIED SCIENCES BREMERHAVEN

GERMANY | 25–28 August 2020

CALL FOR SESSIONS

ICYMARE 2020 BREMERHAVEN | 25–28 AUGUST 2020

ICYMARE 2020 BREMERHAVEN

The new International Conference for YOUNG Marine Researchers ~ ICYMARE is calling for Sessions!

We invite you to apply as advanced (Master or PhD) student with your field of marine research and expertise aiming to offer and share it as an ICYMARE focus.

As session chair you will handle the abstracts of the ICYMARE presenters in the preparation process and the moderation of the session during the conference.

You will be able to publish a peer-reviewed review article (plus the abstracts of your session) in the open access ICYMARE 2020 BREMERHAVEN book, published with Springer. Does that sound like an exciting opportunity for you? Awesome! Please apply to abstract@icymare.com with your own session (alone or as a team of two) until **15 February 2020** by sending:

1. A motivation letter of max 1 page showing your experience on the proposed topic and why you want to become a session host
2. Your most recent CV
3. A "Call for Abstracts" on your session topic to invite presenters from all over the world (max. 100 words - excl. session title)

ICYMARE 2020 BREMERHAVEN will be taking place from 25 - 28 August 2020 at the University of Applied Sciences Bremerhaven, "the university by the sea" and you and one invited speaker for your session will be free of conference fees!

We are looking forward to your applications!
