

ICYMARE

International Conference for
YOUNG Marine Researchers

UNIVERSITY OF APPLIED SCIENCES BREMERHAVEN

GERMANY | 13-16 September 2022

CALL FOR ABSTRACTS

ICYMARE 2022 BREMERHAVEN | 13-16 SEPTEMBER 2022

FRIENDS OF THE MARINE ENVIRONMENT

Full of anticipation, we announce the Call for Abstracts for ICYMARE 2022 BREMERHAVEN, a conference designed by and for young marine researchers.

ICYMARE stands for "International Conference for YOUNG Marine Researchers". No matter if you are a Bachelor, Master or PhD candidate, we warmly invite you to present your research to (y)our international audience while enjoying and benefitting from an open and familial atmosphere. Get some first conference experience, expand your expertise, and let both your personal and professional network grow.

ICYMARE 2022 BREMERHAVEN will take place from 13 to 16 September 2022. After two years navigating our way through virtual meetings and online conferences, we are happily looking forward to (re-)unite with you all on site and in person again!

Submit your abstract now and present your research as a talk or a poster in one of the more than 30 sessions of ICYMARE 2022 BREMERHAVEN listed on the ICYMARE homepage. Have a look and decide which session matches your presentation best. All we need is your abstract and a short CV submitted to abstract@icymare.com **not later than 31st May 2022**. At www.icymare.com, you can find an abstract submission template and some guidelines for the presentations along with the [travel grant application regulations and documents](#). After your submission, the session hosts of the individual sessions will evaluate the abstracts and select presentations for ICYMARE 2022 BREMERHAVEN based on objective criteria. The ICYMARE Organization team will decide upon your travel grant application based on an elaborated assessment scheme.

You can also attend ICYMARE 2022 BREMERHAVEN as a listener without a presentation, you can advertise your very own project during the project pitches, engage in a workshop or in the social events. There are lots of opportunities to get actively involved.

In case of questions, if you want to participate beyond presenting your research, or if you want to become a sponsor of ICYMARE, please contact hello@icymare.com.

We are excited to meet you and would love if you would spread the word!
