

ICYMARE

International Conference for
YOUNG Marine Researchers

UNIVERSITY OF BREMEN

GERMANY | 16–20 September 2024

CALL FOR ABSTRACTS

ICYMARE 2024 BREMEN | 16–20 SEPTEMBER 2024

FRIENDS OF THE MARINE ENVIRONMENT

The call for abstracts for ICYMARE 2024 BREMEN is open now!

ICYMARE - the International Conference for Young Marine Researchers - extends a warm invitation to Bachelor, Master, and PhD candidates alike. We welcome you to share your research with our international audience, providing a platform for valuable exposure and collaboration within an open and familial atmosphere. Seize the opportunity to gain conference experience, enhance your expertise, and foster growth in your personal and professional networks.

ICYMARE 2024 BREMEN will be taking place from the **16th to the 22nd of September at the University of Bremen in Germany**. Following up on a successful and vivid in-person conference in Oldenburg last year, we are excited to (re-)unite with you all on site again! Submit your abstract now and present your research as a talk or a poster in one of the many sessions of ICYMARE 2024 BREMEN listed on the [ICYMARE website](https://www.conference.icymare.com). Have a look and decide which session matches your presentation best.

At www.conference.icymare.com you can find our conference platform tool "MyICYMARE", where you can submit your abstract and a short CV after a short registration process **no later than 15th of April 2024**. And at www.icymare.com, you can find our guidelines for presentations. After your submission, the session hosts of the individual sessions will evaluate all abstracts and select presentations for ICYMARE 2024 BREMEN based on objective criteria.

Beyond presenting, there are several ways to participate in ICYMARE 2024 BREMEN. You can attend as a listener, showcase your project during our brief project pitches, join a workshop, or participate in social events.

If you have questions, wish to participate in ways beyond presenting your research, or are interested in sponsoring ICYMARE, please get in touch with hello@icymare.com. Additionally, if you want to explore behind the scenes to get some hands-on experience and join the ICYMARE team, do not hesitate to contact us at abstract@icymare.com. We welcome volunteers from all academic levels as part of our on-site team!

We are excited to meet you and would love it if you would spread the word!
